Dear Mr. Wallace:

Thank you for your note with the sports clipping which arrived yesterday.

All is well here but for the lack of a job. We have good men and good equipment and by the time this reaches you I hope we will be cracking again.

Best to all,

O.C. 567 A.F.S., A.C.C.

Dear Art;

I shall keep on sending you these "Sports letters" in hopes they will reach you and interest someone.

Beau Jack belongs a little to me (underlined)... a little shoe-shine and caddy boy from my home in Georgia. A few of us had him trained properly and given a chance. He got to the top of the heap ... may again ... and if he developes anything from the ears up, may stay there, for a while.

Details of your activities have not reached us. You and your lads are very much in our thoughts. Best of luck and God bless you all.

Faithfully yours,

*Art. As I signed this, yours of
Sept. 22. Was handed me.
Thanks. Ray-*
