

# Your Residence & School "San Estanislao de Kostka"

*Intercultural Summer  
Youth Camp, Málaga*

## The Residence:

The residential school “San Estanislao de Kostka” is specifically conditioned to host AFS Intercultura’s Summer Youth Camp as well as other groups from around the world during summer time. This prestigious private school has all necessary facilities to host our group at a unique location close to the beach. During the rest of the year about 1.800 pupils are visiting this school.

Its main building was built in the nineteenth century and officially opened in 1882. It was designed by the architect Jeronimo Cuervo. Within those 130 years a lot of famous personalities have walked through the hallway such as the philosopher Ortega y Gasset, the writers Manuel Alto Aguirre o Antonio Gala as well as the famous painter Revello deToro, to name a few.

## Location:

The school is located in Málaga’s residential area “Pedregalejo” in the east part of the town – a quiet residential area surrounded by detached houses with private gardens and lined with trees.

The complex consists of over 46,000 square meters of sports and academic facilities. It is located near the sea (less than 5 minutes to the beach) and just in front of Echevarría, a quiet residential area where there are all kinds of shops, supermarkets, cafes, restaurants and banks are available.

The main building has a rectangular shape and three floors. Inside there are 4 yards and 6 galleries with large windows from which you can access the classes. All classrooms are spacious and bright thanks to the large windows

## Facilities:

**Lavatories:** On each floor there are 4 modules of separated bathrooms (one per corner).

**Showers:** The showers are next to the sports facilities; they consist in several modules, 9 of them with 3 showers and a toilet for each module, along with locker room area and 2 other more with 7 showers and WC each. In total over 35 showers.

**Dining room:** The large dining room is on the ground floor with seating for over 400 guests.

**Auditorium:** situated on the first floor of the main building, this room has a capacity of 100 participants and counts on all necessary audio-visual facilities.

**Dialogue Room:** meeting room for more than 50 people, perfect for debates and intercultural activities, equipped with video projector and audio system.

**Classrooms:** on the first floor and accessed from the main galleries of the building.

**Bedrooms:** located on the third floor of the building, accessed from the galleries which cross the main building. Well-connected and accessible with plenty of light and ventilation.
