

ENGAGED WITH VOLUNTEERING

Long term EVS: 7 months (01/09/2017 – 31/03/2018)

Context:

The city of Marseille, and particularly its “environmental and nature department service”, is in charge of missions about environment’s protection and sensitization of public opinion:

- Development of the territory's natural wealth and sensitization of the population to urban biodiversity
- Making Marseille’s street more “green”: development of shared gardens, revegetation of the streets, etc.
- Environmental education with management of pedagogical farms and sensitization of Marseille’s inhabitants about ecological issues.

Place: City Hall of Marseille in Department of Environment, Marseille (South East France)

Object of the mission:

The volunteer will help the team to create a brochure of the different pedagogical offers of the environmental service in digital and paper version:

- Understand and create an inventory of the different action and educational places
- Meeting the different actors on the field
- Helping in a teamwork during educational activities
- Proposition for the shape of the brochure

Needs for the mission:

The city of Marseille is willing to host a volunteer who is interested in education and environment. A volunteer with a basic (or good) level of French language will be appreciated.

Autonomy and initiative are welcomed during the mission.

Practical Information:

The duration of the mission is 7 months, from the 1st of September 2017 to the 31st of March 2018. The volunteer(s) will have 30 hours of work/week.

Food:

Volunteers will receive a monthly allowance to cover this cost.

Accommodation:

The volunteer will be hosted in a shared apartment with other volunteers, fully equipped in the city center.

Linguistic support:

The coordinating organisation will arrange support according to the needs of the volunteer, and the volunteer can follow the "Online Linguistic Support" implemented by the European commission.

Support and monitoring:

The volunteer will have an internal tutor (for monitoring, adaptation and evaluation of his missions) and an external tutor (for personal social integration ...).
