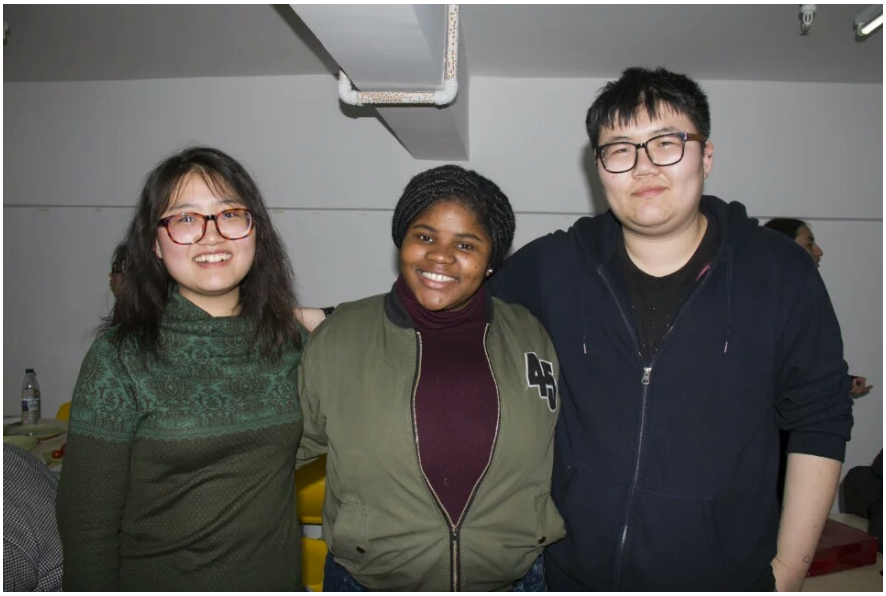
Host an International Student!



Hosting an international student in your home is a great way to learn about a new culture and share your own culture and values. Children often enjoy being cultural ambassadors, introducing their new brother or sister to local customs, traditions and national holidays. Everything from preparing meals to sightseeing are opportunities to discover and appreciate cultural and other differences.

We call this the **#AFSeffect**!

Duration of the Programmes:

- July - September 2017 (2 months)
- September 2017- July 2018 (10 months)
