AFS Serbia Arrival Information 2017

When you arrive in Serbia, AFS volunteers will meet you in the arrival lounge of the Belgrade Nikola Tesla Airport, after you pick up your baggage and go out of the customs area. You will then be taken by bus to the orientation camp in Belgrade. Please make sure you only bring as many suitcases and bags as you can carry yourself. The camp will take place from 25 to 27 August. On 25 August, you will be picked up in Belgrade by your host family or accompanied by an AFS volunteer to your host town. Here is a checklist for the orientation:

- Please pack a small bag with the things you will need at the orientation – clothes, toiletries, towel, so that you do not need to unpack your big suitcase.
- Don't forget to bring a towel.
- You will not be able to call home during the camp. Your parents can call you when you arrive to your host family's home on 27 August.
- Please note that the use of mobile phones, tablets, PCs is not allowed during the camp.
