AFS Tasmania Ambassador Prizes: Factsheet for Applicants

AFS Tasmania Ambassador Prizes of up to \$3,000 are available to students living and attending school in Tasmania and who wish to:

- Participate in an AFS Year Program or AFS Semester Program;
- Select a non-English speaking host country; and
- Plan to depart Australia in January/February/March 2020 (SH20) July/August/September 2020 (NH20).

Up to 10 scholarships will be provided to Tasmanian students who meet all three criteria and whose applications are accepted by AFS Australia. Please be aware that not all AFS host countries offer both the Year Program and the Semester Program in August/September and February/March of each year. It is the applicants' responsibility to check the availability of programs, destination countries and departure dates with the AFS Australia office.

AFS Tasmania Ambassadors represent AFS Australia and the state of Tasmania during their exchange program overseas. They also commit to volunteering with AFS Australia as a returnee for a minimum of one year after they return from their exchange. Volunteer tasks include:

- Assisting AFS to find host families at your school or in your local area;
- Delivering a presentation about your AFS experience to your high school and other high schools in your local area;
- Being a 'support buddy' to a hosted AFS student in Australia or a 'destination expert' who advises potential AFSers about the country where you spent your exchange; and/or
- Assisting at AFS events, including Open Days, chapter meetings or orientation/pre-departure activities.
