

STUDY ABROAD SCHOLARSHIPS

Visy is offering permanent staff member's children or grandchildren the opportunity to live and study abroad in France, Italy, Germany or China in late 2018.

“Overall I have become more confident in myself through travel and being able to navigate international airports. I have a great appreciation of Italian history through seeing such things as the Colosseum, Vatican City, Assisi and ancient Roman ruins. I want to thank Visy once again for their generosity in funding this scholarship. I will remember this experience forever.”
