

### 1. Application for Australia Indonesia Youth Exchange Program (AIYEP) 2018/19

**Applications are open** for Australian citizens aged between 21 and 25 years (born after September 1993 and before October 1997) to join the Australia Indonesia Youth Exchange Program (AIYEP). AIYEP is a one of a kind, highly successful program marking its 37th year in 2018/19. Eighteen young Indonesians aged 21–25 spend two months (October to December) in Australia experiencing work placements, homestays, community service, cultural performances and visits to local schools and communities. Eighteen young Australians undertake a similar program in Indonesia with their Indonesian counterparts from December to January. Applications close 18 July, 2018.

The program aims to provide opportunities for young people from Indonesia and Australia to gain a better understanding of the culture, development and way of life of each other's country. AIYEP alumni form a vibrant group whose members have gone on to work in areas with a continuing involvement in the bilateral relationship. Indicative dates for AIYEP37 are from 8 October, 2018 - 27 January, 2019 with the Indonesian phase departing from Melbourne on 2 December (these dates pending confirmation).

For further information about AIYEP, please visit this [website](#).

Please note all information supplied in this application will be treated as confidential and will not be shared with unauthorised parties. Applications and the information therein are collected by AFS Intercultural Programs Australia as a contracted service provider on behalf of the Department of Foreign Affairs and Trade (DFAT), in accordance with the terms of their privacy policy. 7. Selection Criteria:

AIYEP is a unique and very challenging program. It requires high levels of interpersonal skills, emotional intelligence and resilience, as well as the capacity to contribute to a part of a group or team environment. It is designed to facilitate deep cultural exchange and build people-to-people understanding between diverse Australians and Indonesians. We encourage you to respond to the following questions with this in mind.

\* 23. AIYEP participants are expected to contribute to a strong group dynamic in a large collection of people from diverse backgrounds. Give an example of how your personal strengths/skills/knowledge (please specify) have benefited a group previously.

\* 24. The AIYEP program involves living in rural and urban communities in Indonesia, which may present challenging living conditions, culture shock, and physical and emotional demands. Please describe a time when you have faced similar challenges and how you dealt with them.

\* 25. As representatives of Australia in Indonesia, participants will be expected to answer questions about Australia, engage in public speaking and participate in cultural engagement. Please outline your ability and experience in regard to these requirements.
