Students will need to add electives, advisory, and physical education to core classes above

*Students are not at liberty to choose their grade level;
grade level is assigned by the host school.*

Immersion Studies

Two long-term community projects engage
students with their community in and outside the
school environment:

Fall Trip focuses on exploration and community
building.

Spring Intersession

Students help plan a long field study, with 9th
and 10th Grades focused on Leadership and
exploration, 11th Grade on cultural immersion (i.e.
language immersion), and Senior Capstone. Trips
are subject to change based on the needs and
interests of students.
