

Volunteer with AFS!

Create change

Change the world by changing minds. Help AFSers and your community appreciate and celebrate cultural differences.

Create community

Join a global community of changemakers and people like you. Serve as a change agent in your community.

Create yourself

Develop practical cross-cultural skills and find your place as a global citizen, leader and changemaker in your community.

Create the future

Lead diverse teams at home or around the world and promote inclusive societies for sustainable development.
