SALAAM MUSLIM PROGRAM EXCHANGE DESCRIPTION

Lying between the Pacific and Indian Oceans, Indonesia is a country with a variety of interesting cultures. It draws influence from neighboring countries like Malaysia, the Philippines, Papua New Guinea, and Singapore. Indonesia boasts a unique biodiversity and is home to a range of Asian fauna, including Sumatran tigers, rhinos, orangutans, elephants, and leopards.

Indonesia is rich in culture due to its diverse population spread across thousands of islands. Despite its diversity, the country upholds a strong culture of unity. The majority of the population is Muslim, and alongside Islam, Indonesia is home to a multitude of other religions. Hinduism is the second largest religious group, followed by Christianity, Confucianism, and Buddhism.

Students will attend a local high school while living with a host family. There will be opportunities to visit various attractions, such as the largest Buddhist temple in the world, trek through the Sumatran jungle, explore popular Indonesian islands like Bali, and learn to speak Indonesian (locally referred to as Bahasa Indonesia).
