### High standards and modern values, close to the centre of Auckland

Western Springs College is a high-performing secondary school with state-of-the-art facilities. Two new innovatively designed buildings have transformed the campus into a creative and engaging learning environment.

Western Springs College shares its campus with Ngā Puna o Waiōrea, a te Reo Māori immersion school. The two schools operate collaboratively and students flow between both schools, according to their year levels and course choices.

Located close to the city centre, Western Springs College also offers easy access to a nearby lakeside park, zoo, museum, golf course and the beach.
