Well-known nationally and internationally for providing a world-class educational experience

Rangitoto College is New Zealand's largest secondary school. It offers an incredibly wide range of subjects (60 different course options and over 80 co-curricular activities) and has an exceptional reputation for its academic excellence, performing arts, sporting achievements, and the quality of its graduates.

International students enjoy the College's outstanding facilities, the safe and culturally diverse community and the strong support from the experienced international staff.

Rangitoto College is located on Auckland's beautiful North Shore, just a few minutes from the calm beaches of the East Coast Bays - perfect for swimming, kayaking, sailing and stand up paddle boarding.
